DRIVEWAY PERMIT: Hopkinton Public Works (603-746-5118) approval for driveway connection to a Town street. Connections to State roads require the State of NH Department of Public Works and Highways (666-3336) approval. **Approval number:** _____ **Date:** _____

SEPTIC SYSTEMS: NH Department of Environmental Services (603-271-3501) approval. If additional bedrooms are being created and the building is on a private septic system, provide a copy of the septic system approval to show the system is capable of handling the additional load.

Approval number: _____ **Date:** _____

NH ENERGY CODES: We continue to require the **New Hampshire Residential Energy Code Application (EC-1 Form pages 1 & 2)** to be submitted as part of your building permit application. Please note that the EC-1 form should no longer be sent to the State PUC. Inspection of all insulated materials including slab, basement, crawl spaces, floors, walls, and ceilings are required. **Required Testing:** Successful blower door and duct leakage test results are required before issuance of a Certificate of Occupancy.

NH COMPREHENSIVE SHORELAND PROTECTION ACT (CSPA) RSA 483-B: Effective July 1, 2008, a SHORELAND PERMIT is required for many construction, excavation, or filling activities within the Protected Shoreland. A complete list of activities that do not require a shoreland permit can be found in the Shoreland Administrative Rules, Env-Wq 1406. Please visit the NH Department of Environmental Services Shoreland Website at www.des.nh.gov/cspa or call 271-2147. Office location: 29 Hazen Drive, Concord, NH 03302-0095.

Approval Number: _____ **Date:** _____

This is to certify that the information included with this application will be followed during construction, and any changes shall be only after notifying the Planning Office. That any permit issued based on inaccurate information is subject to immediate withdrawal. That the owner of record authorizes the proposed work and that I have been authorized to make this application as his/her authorized agent, and I agree to conform to all applicable laws of this jurisdiction. I further certify that I am aware of and will comply with any deed restrictions or covenants and any regulations or conditions imposed by the Select Board, Zoning Board of Adjustment, and or Planning Board as it relates to this property and the proposed structure/use. Also, I am aware that applying for a permit with respect to an activity in or on the building or property shall be deemed consent for Town officials and employees to enter the building or property to perform inspections, measurements, sampling, or any other action deemed necessary.
